## TO TAKE FIGHT BEFORE BOARD AT THE MEETING

THE ELKAN ORDINANCE WILL  
PROBABLY BE SUBJECT OF AN  
ANIMATED DISCUSSION BEFORE  
THE COMMISSIONERS MONDAY.

Lively interest is expected to be injected into the proceedings of the board of city commissioners tomorrow afternoon when the ordinance authorizing the sale of certain water front property will come up for final disposal.

M. J. Elkan, who proposes improvements on a permanent and satisfactory scale, will be on hand, and a number of his friends are expected to be with him, all in the interest of the passage of the ordinance, while those who are opposing the passage of the measure are also expected to be on hand and continue in their efforts to keep the ordinance from going through on third reading.

It has been read the first and second time, and now is on third reading and final passage.

Plans for the improvement of the water front property were understood to have been prepared in the expectation that the additional property would be secured.

Mr. Elkan owns several lots adjoining the property that he desires to purchase, and the improvement he plans cover that piece of land also.

All this will come out, perhaps, at the meeting at the city hall, to take place at 2 o'clock on Monday afternoon.

## BOY SCOUTS AND THE CAMP FIRE GIRLS IN RALLY

JOINT MEETING WILL BE HELD  
ON TUESDAY AT WHICH GREAT  
TIME IS EXPECTED—WILL AR-  
RANGE FOR EXCURSION.

There will be a combined rally of the  
Boy Scouts and Camp Fire Girls at  
Catholic Knights hall, corner Chase  
and Baylen streets, on Tuesday eve-  
ning at 7:30, where arrangements will  
be made for the successful conduct-  
ing of the excursion to Camp Walton  
on the following week.

An interesting program is being ar-  
ranged, and refreshments will be  
served. Camp fire girls and boy scouts  
are expected to be in uniform, and  
all of the friends of the girls and  
boys and those interested in the move-  
ment are cordially invited to be pres-  
ent.

There will be an excursion to Camp  
Walton on the steamer Cessna on  
Wednesday, August 5, for the benefit  
of the boy scouts and camp fire girls.

The Cessna leaves Pensacola at 8:30  
in the morning, arriving at Camp Wal-  
ton at 12:30, and remaining there un-  
til 4:00, returning to Pensacola at  
8:00, which will enable the passen-  
gers to enjoy the latter part of the run  
by moonlight. Refreshments will be  
served on lower deck by boy scouts  
and camp fire girls.

The object of having this excursion  
is for the purpose of raising suffi-  
cient money to pay off the present  
indebtedness against the boy scouts,  
and have enough funds to run a boy  
scout camp which it is expected will  
be in the first week of September.

The camp will be a strictly boy scout  
camp. No boys will be eligible to at-  
tend except those who have shown  
considerable interest in scoutcraft dur-  
ing the past year, or have been ad-  
vanced during that time from one de-  
gree to a higher degree or a first-  
class scout will have taken during  
that time at least one test for a merit  
badge.

An opportunity will be given  
between now and the time the camp  
starts for allowing any boy or scout  
to qualify in some degree, hereby mak-  
ing him eligible to attend camp.

Boy scout uniforms can be obtained  
from Wilson-Biggs Co., at 15c a piece.  
Each scout should own one of these  
staffs, and they should be marked by  
the individual scout in accordance  
with instructions laid down in the boy  
scout manual, one side marked off in  
meters, decimeters, etc., and the other  
side being marked off in feet and  
inches.

The officers in charge of the sea  
scouts have been in communication  
with the navy department through San,  
Fletcher, and it is expected that the  
navy department will loan the sea  
scouts of this place a suitable boat  
for their practice and trips.
